Subject: RE: May WSA Meeting - Draft Agenda

It would be helpful if some priorities could be established for the project working time so that we're not all expected to be in 15 different sessions at the same time. I would suggest that, based on the priority assigned by Rick, that the scientific consensus projects have a priority for this time.

Subject: FW: May WSA Meeting - Draft Agenda

Dear WSA:

Below please find a first draft of WSA May meeting agenda. Let your manager know if you have questions or feedback so that they can share/discuss during their next staff call.

Thanks,
Valerie

Subject: May WSA Meeting - Draft Agenda

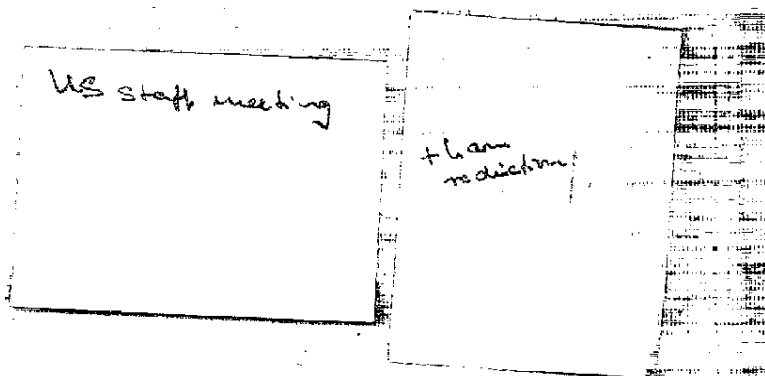

Hello everyone,

Please find enclosed the Draft Agenda for the May WSA meeting. It includes time for everyone to give information about themselves and share the projects they are working on, in addition to time to collaborate with members of the group who are working on same projects. The second part of the meeting is a continuation of Creating the Future where all WSA members should attend (including Admin.).

If there are any questions or any items need further clarification, I have put this on the Agenda for our conference call next week.

Thanks,
-L
